Brockton's Promise is an alliance of service providers, nonprofits, afterschool programs, and other youth organizations that *work to provide all Brockton youth with Five Promises* - Caring Adults, Safe Place, A Healthy Start, Effective Education and Opportunities to Help Others. We are hosting a *series of dialogues to hear from parents and youth* in the City about how we can make Brockton's Promise more meaningful to you. The first community meeting will be hosted by the Caring Adults team which is planning its 3rd Annual Mentor Recruitment Rally in Brockton. There are over 150 children in the City waiting for a mentor, and we need your input to find out how we can make this the most successful recruitment rally yet!
